Good Morning Partners,

We wanted to share some information that came to light courtesy of the Greater Sudbury Police Service.

The "CrackPot Farmer" Facebook account provided an urgent update at 1300 hours yesterday to advise that Ottawa Police Service released messaging: as of Midnight it will be illegal to bring fuel up to the Hill and criminal mischief charge will applied if caught.

The male depicted in the video also solicits for individuals to call and e-mail the Governor General to get a non-confidence vote on PM Trudeau.

Lastly, the male requests that supporters start peaceful protests in jurisdictions that have supplied police resources to Ottawa – 'they want to starve us out, we'll starve them out too'. Jurisdictions are named but not limited to:

- Durham
- York
- Sudbury
- London

- Toronto
- Cornwall

Social media metrics indicate that at the eight hour mark, the video had been viewed 45k times, generated 2.5k reactions, and 955 comments.

For your situational awareness and potential local impacts.

Thank you,

Brent Elbers
